Essay #4

Instructions: Respond to the following prompt in 5-7 pages. Head your paper and cite in MLA format. Review the syllabus for details about the paper's format. ***Please check your syllabus for due dates.***

For this essay you may choose any topic, but you must have a solid thesis to argue in your paper. Be sure your topic is focused enough to discuss in four pages. For example: martial arts on its own would be too broad, but how Tang Soo Do has changed (for better or worse) in America would be a narrow enough topic. You may use a topic you have written about before.
